**Notes:** See next page.

**Notes:**

\*\*Santa Clara data does not include acreage and amenities on school sites - except for athletic field acreage- which are under agreement with the City for use. There are 7 cricket pitches available on school sites.

\*\*San Jose has a target of 3.5 acres per 1000 population.

\*San Jose amenities (fields, tennis courts, and basketball courts) include amenities on school properties. San Jose also has 4,388 acres of open space from other agencies within the City.
